Dear Parent or Guardian,

I am writing to let you know that your son/ward is now settling down at H.M.A.S. LEEUWIN and making satisfactory progress.

No doubt he has told you of his daily life of study, parade training, boatwork, games, etc. The boys have a very full life which we try to make as interesting as possible.

If your boy appears to have any problems which he has confided in you, please do not hesitate to either write or call on me, so that the matter may be straightened out.

A half yearly report will be forwarded to you in June to show the actual progress your boy has made.

Yours faithfully,

(W.A. KEMP)
